Met with Rhea Fleming, Ed Cotton, Jan Stroud, Darrell Pitts, Sharon Murphy, Brian Krawczyk, and Tim Barrett. Issue was amount of defense costs being incurred. Central to that issue was the status of the Declaratory Judgment action from the Claims Legal Team. To date the DJ has not been filed. Deb Molitz was out for the day, but I was able to reach her. The DJ has been delayed due to letters that need to be sent to the estates of the plaintiffs. Tim Barrett advised tha the wants to know - by next week - the status of the DJ and our (Claims Legal) chance of success in prevailing.
